

HiLook DVR-104Q-M1/S#MENA

4-ch 1080P Mini 1U H.265 AcuSense DVR

Brand	HiLook by Hikvision
Commercial Model	DVR-104Q-M1/S
Official Page Model	DVR-104Q-M1/S#MENA
Equivalent Available Model	iDS-7104HQHI-M1/S(E)
Product Type	4-channel Turbo HD / Hybrid AcuSense DVR
Prepared By	Connect Gates for Integrated Solutions

Overview

- The HiLook DVR-104Q-M1/S is a compact 4-channel AcuSense DVR designed for small analog and hybrid CCTV systems.
- It supports HDTVI, AHD, CVI, CVBS and IP video inputs, allowing flexible use with different camera technologies.
- Advanced H.265 video compression helps reduce storage requirements while maintaining reliable recording quality.
- AcuSense functions support human/vehicle classification to improve event accuracy and reduce false alarms.

Key Features

- 4-ch analog video input via BNC interface
- Up to 6-ch IP camera input in enhanced/IP mode, up to 6 MP IP camera resolution
- H.265 Pro+ / H.265 Pro / H.265 / H.264+ / H.264 video compression
- Motion Detection 2.0 with human/vehicle classification
- Perimeter protection support
- HDTVI / AHD / CVI / CVBS / IP video input compatibility
- Audio over coaxial cable support
- HDMI and VGA output for local display
- 1 SATA interface for local HDD storage
- Mini 1U compact design suitable for small CCTV installations

Technical Specifications

Analog Video Input	4-ch BNC interface
IP Video Input	Up to 6-ch IP camera inputs
IP Camera Resolution	Up to 6 MP
Video Input Compatibility	HDTVI / AHD / CVI / CVBS / IP
Video Compression	H.265 Pro+ / H.265 Pro / H.265 / H.264+ / H.264
Recording / Encoding	Up to 1080P / 3K / 5MP Lite capability, depending on camera and stream mode

Motion Detection	Motion Detection 2.0 with human/vehicle classification
Smart Functions	AcuSense, false alarm reduction, perimeter protection support
Video Output	HDMI + VGA
Audio	Audio over coaxial cable; RCA audio interface depending on configuration
Storage	1 x SATA HDD bay
Network	RJ-45 Ethernet interface
USB	USB interfaces for mouse/backup
Form Factor	Mini 1U DVR
Typical Application	Small analog, HD-TVI and hybrid CCTV systems

Applications

- Small shops and retail CCTV systems
- Offices and administration areas
- Residential buildings and villas
- Small warehouses and service rooms
- Hybrid upgrades from analog cameras to IP cameras

Connect Gates Recommendation

Recommended for small projects that need a reliable 4-channel hybrid DVR with AcuSense event filtering, flexible analog/IP input support, and efficient H.265 storage usage. For new installations, use surveillance-grade HDDs and confirm camera resolution compatibility before final quotation.

Source & Compatibility Note

The official HiLook product page lists the commercial model as DVR-104Q-M1/S#MENA and shows the available equivalent model as iDS-7104HQHI-M1/S(E). This datasheet is prepared for sales/Odoo use based on the official Hikvision/HiLook page and the official Hikvision equivalent datasheet where a direct PDF under the exact commercial code was not publicly available.
